

# MUNICIPAL COLLEGE, ROURKELA

## BEST PRACTICE (2021-2022)

### 1- GENDER EQUALITY A GATEWAY TO SOCIO-ECONOMIC PROGRESS

- 1. OBJECTIVE OF THE PRACTICE----** in modern society with the advent of technology in the teaching learning process the gender equality has importance in every educational institutions. Evidences show that the society with greater gender equality achieves higher level of social and economical rights.
- 2. THE CONTEXT—** According to Mahatma Gandhi “if you educate a man, you educate an individual. If you educate a women you educate entire of the family.” So making women equal in all sphere education to the girl child should be given priority.
- 3. THE PRACTICE—** The Municipal College, Rourkela is a co-educational institution, has taken several; steps in this direction to bring the gender equality among the students. Our NCC wings consist of Boys and Girls. They organize different activities like NCC day, Independence day, Republic day and social awareness programs united. The NSS wing of the college consists of 50 boys and 50 girls. The performs socio-cultural activities like gender equality programmes, girls child day, literacy day, vanamahatsav and social economic survey in adopted village together united. The college provides equal opportunities to participate in hockey, kabbadi, khokho, and various types of games without giving importance on gender disparity. Our students participate in different activities like debate, quiz, drama, mono actions united in-campus and off-campus programmes alike.
- 4. EVDENCE OF SUCCESS—**this initiative reduce the gender base disparity feeling among the boys and girls. they performs well in academic and co-curricular activities. It also provides gender equality building of the dignity of the women, eradication of sex discrimination and provides gender justice in institutional level.
- 5. PROBLEMS ENCOUNTERED---** The students are coming to the institution from different communities with different socio-cultural values and inherent traditional values. It hinders to unite them easily during a short span of time in college.
- 6. RESOURCE REQUIRED---** Modern infrastructures to conduct different socio cultural programmes to imbibe gender unities in them. The need of financial support too becomes a hindrance to implement it successfully.

### BEST PRACTICE-II

#### 1. MODEL QUESTION BANK FOR STUDENTS

- 2. OBJECTIVE OF THE PRACTICE----** The University has introduced the CBCS patterns of examinations in core subjects, AECC, SEC and GE papers. The question pattern of internal and semester end examination has changed accordingly. There are very short type, short type and long type questions asked in the examinations. So it becomes important to prepare the student in the line.
- 3. THE CONTEXT—** the examination system is consisted of internal examinations of 20 marks (non

practical subjects) and 15 marks( practical subjects). The students are advised to appear the examinations positively and absence in the examination will be treated as fail. Again the Semester end examination is conducted by the University 80 Marks (for non practical subjects) and 60 marks (for practical subjects). The science, commerce and arts students are having practical/ projects. In order to train them this practice is adopted.

4. **THE PRACTICE**— The teachers are advised to conduct monthly class test/ surprise test examinations towards the end of every month. The answer scripts are evaluated and shown to the students and marks are recorded to encourage their progress. The internal examination is a part of university examination system which is conducted just before the end semester examinations with prior notification to the students. The subject teachers evaluate the internal answer scripts and marks are uploaded in the lokaseba portal of Sambalpur University.

5. **EVDENCE OF SUCCESS**— by providing the question bank and question patterns the success rate in qualifying student in examination has increased significantly

6. **PROBLEMS ENCOUNTERED**--- Paucity of time and conduct of several university examinations reduce timeframe for practice and prepare in class rooms. The students having back papers are not able to appear all the class tests.

7. **RESOURCE REQUIRED**--- Sufficient numbers of permanent faculty members, question preparing materials like printer, copier and computer system are required for smooth conduct of this practice.
